

CARLTON FOOTBALL CLUB WOULD LIKE TO INVITE YOUR SCHOOL TO

THE VISY ENVIRONMENTALIACS

LIVE AT 

Carlton Football Club (CFC), together with our Sustainability Partner Visy, have developed an innovative schools program called VISY ENVIRONMENTALIACS LIVE @ CFC.

The aim of the program is for Visy and CFC to help educate how primary aged students can leave a positive environmental footprint through increased awareness of recycling, water management and energy saving. Students will share ideas together and with players, as well as participate in interactive football activities that also highlight the need for a healthy lifestyle.
